Subject: Dimock - Isotech Data submitted by Cabot

Rupert,

I did a search on the FTP site for isotech data submitted by Cabot. I wasn't able to find any data. However, I did find 2 files which had the name isotech in the file names but they were COCs for the samples, not the actual data. They were located in the Feb 24 Submission folder. There was one for the Ex. 6 - Personal Privacy and one for the Ex. 6 - Personal Privacy residence.

Please let me know if you need me to pursue this further.

Thanks,

Suddha Graves
